KIT LIST

Course: Chainsaw Maintenance, Cross-Cutting and Basic Felling (up to 200mm)

Trainees need to bring:

- Suitable warm clothing and appropriate waterproofs
- Protective chainsaw boots, trousers, gloves & helmet
- Chainsaw Fuel and oil in suitable container
- Chainsaw (around 50cc, 15” bar with semi chisel chain) in good working order
- Operators' manuals
- Felling lever
- Felling wedge
- Timber tongs
- 1” Square paint brush (for cleaning)
- Combi spanner to match your saw
- Callipers or vernier gauge (e.g. Magnusson Vernier Callipers 6” available at Magnusson Vernier Callipers 6" (150mm) - Screwfix)
- Torx drive to fit your saw (e.g. Magnusson TX Screwdriver Set available at Magnusson TX Screwdriver Set 6 Pcs – Screwfix)
- Personal First Aid Kit including large wound dressing

All equipment must be either less than 6 months old or have passed a LOLER check, evidence of this will be required on the first day (or emailed in advance)

NB If you are providing facilities or equipment, please ensure that the requirements of the Health & Safety at Work Act and any relevant regulations are met.

WARNING:
If you are suspected of being under the influence of drugs or alcohol, you will be asked to leave and no refund will be given. If your behaviour is felt to be abusive or threatening to your fellow trainees or trainer you will be asked to leave and no refund will be given. If the course requires appropriate PPE you must wear it or you will be asked to leave and no refund will be given. Any equipment/machinery you bring that is needed for the course must be fit for use with the appropriate operators manual.
